

MMA Energy Capital, LLC

1755 Prospector Drive, Suite 202
Park City, UT 84060
T 888.807.0567

At **MMA Energy Capital**, a division of **MMA Capital Management** (NASDAQ: MMAC), we use our experience and expertise to partner with renewable energy developers, constructors and system owners to provide project capital necessary to develop and build world class renewable energy systems.

Our approach allows us to provide custom solutions around construction debt, development capital and permanent debt that enable our customers to effectively develop and build projects with the certainty that their capital needs will be met through an efficient and collaborative process.

MMA Energy Capital is seeking an ambitious and enthusiastic professional to provide **Analyst** support to our renewable energy finance business segment. As an Analyst in a small Company, you will have the opportunity to work with our deal origination, underwriting and finance teams in a variety of capacities in the renewable energy finance industry.

The Analyst will have a variety of responsibilities which may include:

- Providing research, portfolio performance analysis, financial modeling and valuation support to individuals in asset management, capital and treasury
- Assisting in the administration and management of our solar project loan portfolio
- Preparing financial reports and presentations for senior management and our capital partners
- Providing relationship support to our third party partners

Professional Qualifications:

- Undergraduate degree from top-tier University preferably in Business or Engineering and a desire to work in renewable energy finance
- Self-motivated, self-directed and has the ability to independently manage concurrent projects and set priorities
- Strong interpersonal skills at all levels of management; excellent teamwork skills
- Advanced Microsoft Office product knowledge – Excel, Word, PowerPoint and Outlook
- Strong financial modeling, oral and written communication abilities
- Detail-oriented, ensures neatness and organization

This position will be based in Park City, UT. We offer a professional, results-driven environment and a comprehensive compensation and benefits package. Compensation is commensurate with experience.

To apply, please send your resume, including a cover letter to Energy@MMAEnergyCapital.com. No phone calls or agencies please.
